ramonpeek@hotmail.com

Leende, Netherlands

## STRENGTHS

### Studious

I love learning new technologies and frameworks.

### Digilent

I put as much effort as possible into my work, and always strive for the best possible outcome.

### Collaborative

I like to share and discuss my achievements/problems with others.

## EDUCATION

### (Delta) Software Engineering

Fontys Hogescholen - Eindhoven

01/2018 - 12/2022

- I am following the Delta-route; an excellence program for motivated students to get more out of their studies and get a taste of the business world.

## EXPERIENCE

### Stage website designer

Van der Aalst - Research & IT

11/2016 - 07/2018 Heeze

- Gained knowledge about creating webdesigns, created logos in Photoshop and Illustrator, and created websites using WordPress.

## ABOUT ME

I am Ramon, a 20 year old dutch software student who has a passion for programming and IT in general. I am a huge Marvel's Avengers fan and my hobbies are playing videogames and working on software and technology related projects such as a DIY 3D-printer. The software projects I am most proud of and enjoyed making are available on [my website](#).

## PROJECT HIGHLIGHT

### Strijp S - Smart Light

09/2019 - 07/2020 Eindhoven

Creating a protocol in an IoT context broker for controlling streetlights in the Strijp S district.

### TamaCoachee

12/2019 - 07/2020 Eindhoven

Creating a human-like chatbot, capable of detecting emotions.

### Digital Excellence Platform

02/2020 - 07/2020 Eindhoven

Creating a universal platform for universities to upload projects students are working on, with as goal reusability and continuation.

### PSV Swimming

02/2020 - 07/2020 Eindhoven

Creating a central planning app for the swimmers, coaches and administration of the PSV Swimming association.
